Lakeview Families,

What a fun week! We wrapped up a busy week of conferences and half school days. Our teachers worked hard to make the conferences informative and meaningful. As always, thanks for supporting your children in their goals and academic progress.

We also were in full spirit mode all week! Each of our classes posed in their Seahawks and Lakeview Spirit gear for yearbook pictures with a 12<sup>th</sup> man flag. What a fun memory this will be for our students!

Have a wonderful weekend!

### **Pennies for Patients**

We believe that service projects are an important part of a student's education. As such, we are happy to announce that we will start a school wide project next week headed up by Leadership. We have selected Pennies for Patients and will join 28,000 schools nationwide in the fight against blood cancer.

For the next few weeks, we will help people who are sick with blood cancers like leukemia, lymphoma and myeloma. Students can participate by collecting coins and other donations. There will be a collection box in each classroom. Remember, every penny counts! Our school goal is to raise \$2500 and beat our numbers from last year!

### **Please Help Us By**

...staying off your phones and devices during drop off and pick up. Not only does it become a traffic and congestion issue, it is a safety issue for our students.

...remembering the option of the lower parking lot. Our upper lot has been extra busy the past week. You may have been one of the unlucky ones who got stuck in the jam last week as far back as PCC. During this time, the lower lot was hardly used. To access the lower lot, drive past the school heading west and turn right at the stop light. On your right you'll see a drive that leads to our lower lot.

### **Kindergarten**

Kindergarten registration is February 6<sup>th</sup> from 1:00 – 7:00 in the Lakeview library. See our website for details.
