

June 8, 2014

Lakeview Families,

We had another great week at Lakeview. Our field trip season is in full swing and many classes have been able to have some fun field trip experiences.

One of our favorites, the Toymaker, came for a school-wide assembly. Students got to participate and learn about math as they helped with "The Toy That Math Built".

We also had the opportunity to hear our primary choir perform their concert for us. They sang beautifully and it was fun for the rest of the school to see and hear their talent.

It's hard to believe we are kicking off our last full week of school for the year! Let's make it a great one!

Rebekah

Food Drive

Thanks to everyone who has donated to our school's food drive. If you haven't yet had a chance to donate, the drive will run through Friday of this week. Please help us ensure that needy students in our area don't go hungry over the summer.

Lost and Found

Please swing by our lost and found. All remaining items on the last day of school will be donated.

Important Dates

Wednesday, June 11th

Thursday, June 12th

Thursday, June 12th

Friday, June 13th
